

SIOEN

The weekend arrives and it's finally time to get out on the water. You feel secure in the knowledge that your choice of equipment is ready to perform, no matter the task. You are confident, as you cast off the lines and hoist your sails, no issue will slow you down.

For a reliable entry into the world of cruising sails, there is one name you can count on - Optimum Cruise by Dimension-Polyant. Optimum Cruise is a strong blend of polyester fibers designed to provide durability and long lasting performance. The OC fabric has warp and fill specifications comparable to many premium woven products on the market, at a more reasonable price.

Let us introduce you Optimum Cruise, the performance sailcloth from Dimension-Polyant that is built to go the distance, whether you measure in miles or in years.

The leading sailcloth manufacturer. Innovation since 1966

#### GENERAL NOTE

All suggestions are based on our worldwide experience with sailcloth applications. Please note that the recommendations are meant as guidelines. You should consider, when making your choice, if the sail will be used in a particular heavy or light wind area.

Neither Dimension-Polyant nor any of its affiliates assume any liability for special, incidental or consequential damages due to the recommendation given.

#### HIGHEST QUALITY FROM THE START

Dimension-Polyant ensures the highest performance by selecting superior fibers, developing custom adhesives, and using only premium films.

#### IN-HOUSE MANUFACTURING

Dimension-Polyant is the only producer of high quality sailcloth in the world with its own in-house manufacturing. Sailcloth is our heritage. We maintain the highest quality with our customized equipment for weaving, finishing and laminating.

#### CONTINUOUS INNOVATION

Dimension-Polyant has the most dedicated R&D team, state-of-the-art facilities, and preferred access to the newest fibers, chemicals and components. Together with German and American engineering, these allow us to set the standard with new developments.

We continually seek to find both sustainably sourced and recycled materials to reduce our impact on the planet.

#### GLOBAL REACH

Our worldwide distribution and technical support network makes Dimension-Polyant the perfect partner for your sailmaker.
